Village of Hampton) Special Meeting
County of Rock Island } of the Village board
State of Illinois } April 11 - 1911

Meeting called by the President
and ~~and~~ the Clerk of the Village board
for the purpose of acting on the
legality of a petition and to decide
whether or not their names are
to appear on the official ballot

Meeting called to order by President
B.W. Turner. Roll call of Trustees
showed Trustees Johnson and
Holton absent. As the law requires
that the objections or questions arising
in the case of nominations of
Village officers shall be considered
by the president of the board of trustees
and the Village Clerk, with whom
one alderman or trustee there of
as the case may be, chosen by lot
shall act, and the decision of a
majority of such officers shall be
final. Trustee Schuber said he was
a candidate on the petition and
would not act on it. Trustee Peterson
and Gordon being candidates on
the other side also refused to act and
^{waived the right} and the village board decided that
Trustee Altman act with the Village
president and Clerk. Objections that
were on file were read by the Clerk
made by Geo F W. Nabney stating
that the petition was illegal, null and
void. The objections read as follows

Hampton Ill's April 10 - 1911 To
Geo W. Wilken Village Clerk of
Hampton Ill's. The Undersigned a
legal voter of the Village of Hampton
Ill's would respectfully make objection
in writing against the petition of
the Anti Salary Party signed by C. J.
H. Hanewacker, Otto J. Luckert and
others for the nomination of the
following candidates for President

Charles Schriber, For Trustee John Edelman, For Trustee Ed Robison, For Police For Trustee Charles S. Lee, For Police Magistrate Charles E. Sikes. The Petition is defective illegal null and void for the following reasons and viz:- That it does not follow or Comply with the law in such case made and provided.

The petition bears no date what ever, so on its face does not indicate at what election the candidates are to be voted for. The petition does not state definitely for what office the candidates are nominated. The candidates or Petitioners did not file a petition under the Primary Law, so can only run as independent candidates as therein provided and can not run as a party. Only one Petitioner has given his address in writing and therefore the Petition does not contain the signatures of 5 per cent of the vote cast at the last preceding election. Said petition is also pasted together which invalidates said petition. The law requires that an adult resident shall make a statement under oath before some officer having authority to administer the same, that the signatures of those signing said petition, were signed in his presence and are genuine and that to the best of his knowledge and belief were also at said time qualified legal voters, and shall then sign his name at the bottom of said petition containing said certificate or statement. No such Certificate or statement was made ~~was made~~ and signed and sworn to on said petition and therefore said petition in all its parts is defective illegal null and void Respectfully G. F. McNabrey

After the law covering ~~the~~ all the points in the objections were read

The clerk made a motion that the petition be declared illegal null and void, and that the names of the candidates shall therefore not be placed on the official ballot. The Motion was seconded by Trustee Altman. Vote on the Motion.
